1. Tree Orders will be available for pickup in mid to late April 2018.

2. Invoices will be sent early April announcing pickup date.

3. Because of the perishable nature of trees and shrubs, the SWCD is not responsible for their condition after pickup by customers or if picked up after scheduled date. Trees will survive better if planted within a few days.

4. The District assumes no responsibility for tree planter accidents.

5. The SWCD reserves the right to substitute sizes and stock. Our stock is limited to what our wholesale suppliers can provide.
